Parking spaces are only for people who have paid for a permit and have registered their car with the church office. Payment by a student's parent is a qualified purchase of a permit.

Sharing of a permit must be approved by the church office. All vehicles to be parked in the lot must be registered with the church office.

If you have a need to use a vehicle that is not registered, please contact the church office before leaving the vehicle in the parking lot. Put your permit on top of the dash behind in the steering wheel so it can be easily seen through the windshield. Temporary parking permits are available in the church office. Cars that do not have their permits properly displayed may be subject to towing. A onetime warning of possible towing will be given.

Replacement permits are available in the church office.

There are no reserved spaces, just take an available space in the main lot, handicapped space or the side lot.

Please pull all the way forward in the parking spaces to keep the lanes open for traffic to move freely.

The parking lot speed is 6 miles per hour. The entrance to and exit from the lot are marked and should be used accordingly.

I understand that special church events will take precedence over my parking permit, particularly scheduled funerals. Any funerals will be announced as soon as possible and your cooperation for arranging alternate parking due funeral services is greatly appreciated.

I agree not to hold College Place United Methodist Church liable or responsible for any loss or damage which may occur to my vehicle while it is parked in the lot.

Violations of any portion of this agreement will result in immediate surrender of the parking permit and forfeiture of your rental fee. No refunds will be given.

I have read and understand the previous regulations for parking privileges.
